

QUEEN SQUARE
CHAMBERS

Approachable experts in catastrophic, brain and spinal injuries

The impact of brain and spinal injuries is often devastating for victims, their families and those around them. Queen Square Chambers can ensure that the best level of compensation is obtained to cope with such life changing injuries. Our team of barristers have real depth and diversity of expertise and a wealth of experience and understanding across many medical areas. We appreciate the need to see clients and experts early at a location of your choice.

Above all we make sure our clients feel confident in our capabilities and at ease in dealing with us. We're happy to discuss any requirements you may have including our mediation service, so please don't hesitate to contact our team clerks.

James Dowse or Jessica Street are contactable on **0117 921 1966** or **civil@qs-c.co.uk**.
